RIVERSIDE ATTRACTIONS

University of California Riverside (½ mile from hotel)

The University of California, Riverside, commonly known as UCR or UC Riverside, is a public research university and one of the ten general campuses of the University of California system. UCR is consistently ranked as one of the most ethnically and economically diverse universities in the United States, and sits on 1,200 acres of land.

UCR Botanical Gardens

Enjoy the relaxing atmosphere of the nearly 40 hilly acres containing scenic trails, grassy meadows, and seating throughout. Literally a “living museum”, more than 3,500 plants from around the world are exhibited. The Gardens are also a wildlife sanctuary with almost 200 bird species. For more information call 951-827-4650.

Heritage House

Completed in 1892, this mansion has been fully restored as an authentic tribute to the affluent life of the citrus community in Riverside. The grounds are finished as a Victorian park. Tours are available and the house is open on special occasions. For more information call 951-826-5273.

Citrus Heritage

Riverside is the home of the first naval orange trees planted in California, introducing the great citrus industry to California. California Citrus State Historic Park on Van Buren has two goals: to tell the colorful story of the citrus industry and to preserve a vanishing cultural landscape. See the vast citrus groves and packing houses still existing as a cultural heritage. For more information call 951-780-6222.

Victoria Avenue

One of the many glories of Victoria Avenue is the over 1,600 palms bordering the entire avenue. It is believed this was the first use of palms as a street tree. Giant Eucalyptus, Pepper trees, Crepe Myrtle and ragged robin roses are among the many varieties of trees and plants that add to the beauty of the divided roadway. For directions and information call 951-684-0596.

Museums and Galleries

Over twenty museums and galleries can be found in Riverside, such as the California UCR Museum of Photography, Riverside Art Museum, Mission Inn Museum, Sherman Indian Museum, Orange Empire Railway Museum and March Air Field Museum.
